

MasterMoney Debit Card Application

Name: _____ Date: _____

The Country Club Bank MasterMoney® debit card is a card that works like a check. You can use your MasterMoney® card like an ATM card or you can use it like a check to make purchases wherever you see the MasterMoney® logo. With each transaction you will receive a copy of the signed receipt to keep and record in your checkbook. All purchases are electronically deducted from your checking account, just as though you had written a check, and then are listed on your monthly checking statement.
