## **It's easy to Go Green with these convenient services –**

### **ccb-Link provides your account information at your fingertips.**

ccb-Link Internet banking allows you to view account activity and check images, transfer funds between your Country Club Bank accounts, download transactions into today's most popular financial software and pay your bills. ccb-Link Internet banking is free, excluding your normal Internet Service Provider charges.

### **e-Statement allows you to receive your statement electronically.**

This service is available to you at no cost, and will allow you to view your current and past statements for all of your accounts on a secure website. To register go to [www.countryclubbank.com](http://www.countryclubbank.com) and click on **Sign up or access your e-Statement account, then click on Sign up for e-Statements now.**

### **You wouldn't advertise your personal information. So why are you still sending checks through the mail?**

Sending checks in the mail can make you vulnerable. Identity theft and check fraud are the fastest growing crimes. Research shows online bill pay through a financial institution is ten times safer than sending checks through the mail.

If you're already enrolled in online banking but you haven't signed up for e-Pay simply go to ccb-Link and sign-in, you'll be able to complete the registration process and start paying bills immediately. There's no charge as long as you pay at least one bill per month. (If you haven't used e-Pay for 90 days or more your account will be charged \$6.95 per month.)

**See a Relationship Banker to sign up for any or all of these services and receive your FREE organic cotton, recyclable, GO Green grocery tote.**
